

## § 1208.41

## 7 CFR Ch. XI (1–1–14 Edition)

for processing will constitute a region from which one producer member and alternate will be nominated to the Council. Only States whose producers deliver raspberries for processing and pay assessments are eligible for nomination and election to the Council. Average production will be based upon either State production figures or the Department data for the initial election, and production figures generated by either the Council or the Department thereafter;

(3) Three (3) processed raspberry importer members and alternate members;

(4) Two (2) foreign producers and their alternate members from countries exporting a minimum of three million pounds of raspberries for processing to the U.S, based on a three-year average; and

(5) One (1) at-large member and an alternate recommended by the Council and shall be submitted by the Council to the Secretary for approval. In recommending the at-large member and alternate, the Council shall give consideration to nutrition health professionals and others interested in raspberry industry. Nominations for the initial Council will be handled by the Department.

(b) *Adjustment of membership.* At least once every five years, but not more frequently than once every three years, the Council will review the geographic distribution of United States production of processed raspberries and the quantity and source of processed raspberry imports. The review will be conducted through an audit of State crop production figures and Council assessment receipts. If warranted, the Council will recommend to the Secretary that membership on the Council be altered to reflect any changes in geographic distribution of domestic raspberry production for processing and the quantity of imports. If the level of imports increases or decreases, importer members and alternates may be added or reduced on the Council, subject to recommendation by the Council and approval of the Secretary. However, the foreign producer seats will remain the same regardless of the volume of imports from importing countries.

(c) *Council's Ability to Serve the Diversity of the Industry.* When making recommendations for appointments, the industry should take into account the diversity of the population served and the knowledge, skills, and abilities of the members to serve a diverse population, size of the operations, methods of production and distribution, and other distinguishing factors to ensure that the Council represents the diverse interest of persons responsible for paying assessments, and others in the marketing chain, if appropriate.

### § 1208.41 Nominations and appointments.

(a) Voting for regional and State producer representatives will be made by mail ballot.

(b) Nominations for the initial Council will be handled by the Department. Subsequent nominations will be handled by the Council.

(c) The nominations for the six producer and alternate members from States producing a minimum three year average of three million pounds of raspberries delivered for processing will be submitted to the Council in the following manner:

(1) For those States that have a State raspberry commission or State marketing order, the State raspberry commission or committee will nominate producers and their alternates to serve. Nominations will be sent to the Council and placed on a ballot which will then be sent to producers in the State for a vote. The nominee for member will have received the highest number of votes cast. The person with the second highest number of votes cast will be the nominee for alternate. The persons with the third and fourth place highest number of votes cast will be designated as additional nominees for consideration by the Secretary. Once the Council has received all of the nominations from commissions or committees, the information will be submitted to the Secretary for appointment. Nominations for the initial Council will be handled by the Department. Subsequent nominations will be handled by the Council staff and shall be submitted to the Secretary not less than 90 days prior to the expiration of the term of office; or

(2) For those States that do not have a State raspberry commission or State marketing order, the Council will seek nominations from the State Departments of Agriculture for members and alternates from the specific States. The State Departments of Agriculture will have the opportunity to participate in nomination caucuses and may directly submit as a group, a single slate of nominations to the Department for the six producer positions and producer alternate positions for the initial Council. Subsequent nominations shall be submitted to the Council and will be handled by the Council staff who in turn shall submit those nominations to the Secretary not less than 90 days prior to the expiration of the term of office.

(3) The distribution of the six producer and alternate seats will be proportional to the percentage determined by the average of the total pounds produced and delivered to processors for processing over the previous three years divided by the average total pounds produced over the previous three years.

(d) The nominee for the one raspberry producer of raspberries for processing and alternate member who represents all other States producing less than a minimum three year average of three million pounds of raspberries delivered for processing, will constitute a region and the nominations will be submitted to the Council in the following manner:

(1) For those States that have a State raspberry commission or State marketing order, the State raspberry commission or committee will nominate producers and their alternates to serve. The State raspberry commission or committee nominations will be sent to the Council and placed on a ballot which will then be sent to producers in the Region for a vote. The nominee for member will have received the highest number of votes cast. The person with the second highest number of votes cast will be the nominee for alternate. The persons with the third and fourth place highest number of votes cast will be designated as additional nominees for consideration by the Secretary. Once the Council has received all of the nominations from commissions or com-

Subsequent nominations will be handled by the Council staff and shall be submitted to the Secretary not less than 90 days prior to the expiration of the term of office; or

Eligible organizations must submit nominations to the Department not less than 90 days prior to the expiration of the term of office. Two nominees for each member and each alternate position will be submitted to the Secretary for consideration.

(2) If the Department determines that there are no qualified national organizations representing importers, individuals who have paid their assessments to the Council in the most recent fiscal year or for the initial Council, those that imported processed raspberries into the U.S., may directly submit nominations to the Department for the initial Council. Subsequent nominations shall be submitted to the Council and will be handled by the Council staff who in turn shall submit those nominations to the Secretary not less than 90 days prior to the expiration of the term of office.

(g) Nominations for the foreign producer positions and their alternates will be made by qualified organizations representing foreign producers as follows:

Subsequent nominations shall be submitted to the Council and will be handled by the Council staff who in turn shall submit those nominations to the Secretary not less than 90 days prior to the expiration of the term of office. For the initial Council, persons that meet the definition of foreign producer as defined in this subpart will certify such qualification and upon certification, if qualified, may submit nominations.
